

Product Name :
Three-phase Asynchronous Squirrel Cage Motor

Product Code :
LIM-CAT-L0003-0001

Description :

Three-phase Asynchronous Squirrel Cage Motor

Technical Specification :

Three-phase asynchronous squirrel cage motor

This item consists of a squirrel cage three-phase asynchronous induction motor, with three-phase stator winding and squirrel cage buried in the rotor. It has safety terminals on the front panel.

Rated power: 180W.

Voltage: 380/660V (delta/star connection).

Three-phase Asynchronous Squirrel Cage Motor, Three-phase Asynchronous Squirrel Cage Motor Bulk Suppliers, Three-phase Asynchronous Squirrel Cage Motor Tools, Three-phase Asynchronous Squirrel Cage Motor Three-phase Asynchronous Squirrel Cage Motors, Three-phase Asynchronous Squirrel Cage Motor Manufacturers, Three-phase Asynchronous Squirrel Cage Motor Suppliers from India, China, Kenya.
