

Product Name :
Line-Code Decoder

Product Code :
LIM-CAT-L0017-00006

Description :

Line-Code Decoder

Technical Specification :

LINE-CODE DECODER
(PCM WAVEFORMS & DUOBINARY SIGNALING)

Technical Data:

Inputs:

B.CLK TTL level bit clock, synchronized to the input data; $f_{max} > 100\text{kHz}$

Encoded signal inputs see ENCODER module section of this manual for definitions

Outputs:

DATA decoded TTL level data

STROBE TTL level signal
