

Product Name :
100kHz Channel Filters

Product Code :
LIM-CAT-L0017-00008

Description :

100kHz Channel Filters

Technical Specification :

100kHz Channel Filters

Three switch selectable, 100kHz channels are provided, comprising two different filters and one straight-through connection.

Technical Data:

Input coupling: AC or DC, channels 1 to 3

Channel responses;

Channel 1: straight-through

Channel 2: bandpass filter

Channel 3: lowpass filter

Stop-band attenuation: 40dB

100kHz Channel Filters, 100kHz Channel Filters Bulk Suppliers, 100kHz Channel Filters Tools, 100kHz Channel Filters 100kHz Channel Filterss, 100kHz Channel Filters Manufacturers, 100kHz Channel Filters Suppliers from India, China, Kenya.
