

Product Name :
Distribution Box Trainer

Product Code :
LIM-CAT-L0004-00001

Description :

Distribution Box Trainer

Technical Specification :

Distribution box trainer, complete with accessories, for assembly of basic distribution boards. The distribution box, known as the distribution cabinet, is the general name of the electrical control center. According to the requirements of electrical wiring, a distribution box is a low voltage distribution device that assembles switching devices, measuring instruments, protective appliances, and auxiliary equipment in a closed or semi-closed metal cabinet.
