

**Product Name :**  
Sonet STS-1 Multiplexer

**Product Code :**  
LIM-CAT-L0017-00017

**Description :**

Sonet STS-1 Multiplexer

**Technical Specification :**

**SONET MULTIPLEXER**

**Technical Data:**

**Analog Inputs**

Inputs three independent inputs - IN1, IN2 and IN3

Sample Rate determined by the CLK frequency, according to CLK / 40 CLOCK

Internal Clock 500kHz fixed, automatically enabled if no signal at EXT CLK input

EXT CLK up to 500kHz, TTL-level signal

CLK outputs the clock used by the module

**General**

DATA 40-bit, TTL-level serial frame, including HEADER byte, FLAGS byte and 3-time division multiplexed PAYLOAD bytes.

Sonet STS-1 Multiplexer, Sonet STS-1 Multiplexer Bulk Suppliers, Sonet STS-1 Multiplexer Tools, Sonet STS-1 Multiplexer Sonet STS-1 Multiplexers, Sonet STS-1 Multiplexer Manufacturers, Sonet STS-1 Multiplexer Suppliers from India, China, Kenya.
