

Product Name :
Sonet STS-1 Multiplexer

Product Code :
LIM-CAT-L0017-00017

Description :

Sonet STS-1 Multiplexer

Technical Specification :

SONET MULTIPLEXER

Technical Data:

Analog Inputs

Inputs three independent inputs - IN1, IN2 and IN3

Sample Rate determined by the CLK frequency, according to CLK / 40 CLOCK

Internal Clock 500kHz fixed, automatically enabled if no signal at EXT CLK input

EXT CLK up to 500kHz, TTL-level signal

CLK outputs the clock used by the module

General

DATA 40-bit, TTL-level serial frame, including HEADER byte, FLAGS byte and 3-time division multiplexed PAYLOAD bytes.

Sonet STS-1 Multiplexer, Sonet STS-1 Multiplexer Bulk Suppliers, Sonet STS-1 Multiplexer Tools, Sonet STS-1 Multiplexer Sonet STS-1 Multiplexers, Sonet STS-1 Multiplexer Manufacturers, Sonet STS-1 Multiplexer Suppliers from India, China, Kenya.

Laboratory instruments manufacturers India
