Product Name :
Sonet/SDH STS-1 & STS-3 Clock Regeneration

Product Code :
LIM-CAT-L0017-00019

Description :

Sonet/SDH STS-1 & STS-3 Clock Regeneration

Technical Specification :

SONET/SDH STS-1 & STS-3 CLOCK REGENERATION

The bit clock of STS-1 and STS-3 signals in single-wire or single-fiber systems can be regenerated from the incoming data signal using this module. The bit clock can only be regenerated if the STS-1 or STS-3 signal was generated using the STS-1 MUX or STS-3 MUX module's internal clock: 500kHz or 1MHz. The regenerator's clock rate is switch selectable.
