

Product Name :
Fiber Optic Transmitter (Green)

Product Code :
LIM-CAT-L0017-00024

Description :

Fiber Optic Transmitter (Green)

Technical Specification :

Fiber Optic Transmitter (Green)

Technical Data:

Input: TTL level digital signal, or, standard level analog signal, switch selectable

Input Frequency Range: DC to >1MHz

Fiber Optic Device: GREEN high radiance LED, 530nm peak spectral output

Fiber Optic Connector System: single way

Fiber Optic Cable: 1mm, polymer, single core fiber optic cable, sheathed in polyethylene.

Fiber Optic Transmitter (Green), Fiber Optic Transmitter (Green) Bulk Suppliers, Fiber Optic Transmitter (Green) Tools, Fiber Optic Transmitter (Green) Fiber Optic Transmitter (Green)s, Fiber Optic Transmitter (Green) Manufacturers, Fiber Optic Transmitter (Green) Suppliers from India, China, Kenya.
