

Product Name :
Transform Module

Product Code :
LIM-CAT-L0017-00030

Description :

Transform Module

Technical Specification :

Transform Module

Technical Data:

Sample-&-Hold: analog-level input and output.

CLK input: TTL-level signal of up to 100kHz

Unit Delay: analog-level input and output, with delay of one CLK cycle.

Transform Module, Transform Module Bulk Suppliers, Transform Module Tools, Transform Module Transform Modules, Transform Module Manufacturers, Transform Module Suppliers from India, China, Kenya.
