

**Product Name :**  
Delta Modulation Utilities

**Product Code :**  
LIM-CAT-L0017-00043

**Description :**

Delta Modulation Utilities

**Technical Specification :**

Delta Modulation Utilities

Technical Data:

Input frequency range: 400Hz to 10kHz

Gain: user selectable by DIP switch

Hard Limiter

Input frequency range: 10Hz to > 500kHz

Output: TTL level

Delta Modulation Utilities, Delta Modulation Utilities Bulk Suppliers, Delta Modulation Utilities Tools, Delta Modulation Utilities Delta Modulation Utilitiess, Delta Modulation Utilities Manufacturers, Delta Modulation Utilities Suppliers from India, China, Kenya.
