

Product Name :
Battery Operated Drill and Driver

Product Code :
LIM-CAT-L0034-00002

Description :

Battery Operated Drill and Driver

Technical Specification :

Battery operated drill/driver
Overload protection
Handy, light and compact
LED lighting
Accu indicator
2 speed
Quick charger (40 min.)
Voltage 18V
Rpm 450 / 1700 rpm
Weight - 1.3kg
Drill head - 10 mm quick release
Max. torque- 35Nm
Battery capacity: 2.0 Ah
Includes
2 x 18 Volt Li-ion battery 2,0 AH
1 x quick charger
1 x storage case
Complete with set of screwdriver bits and holder, set of drill bits 3-10mm.
