

**Product Name :**  
3 Axis CNC Milling Machine

**Product Code :**  
LIM-CAT-L0043-0008

**Description :**

3 Axis CNC Milling Machine

**Technical Specification :**

3 Axis CNC Milling Machine

The Machine has the following specifications: -

Enclosure: Pre-assembled, fully enclosed

Overall Dimensions: 15.75" x 10.25" x 15.25" (400 mm x 260 mm x 387 mm)

Build Volume: 6" x 4" x 2.75" (153 mm x 102 mm x 70 mm) 8

Max Traverse: 120 in/min (3049 mm/min)

Spindle Speed: 10,000 RPM - 23,000 RPM

Spindle Motor Power: 200 W

Power Requirements: 10-240 V AC 50/60 Hz 350 W

Tool Holder: ER-11 Collet

Largest Shank Size: 1/4"

Repeatability: +/- .001" (+/- .025 mm)

Recommended Roughing MRR in Aluminium 6061: 0.1 cubic in/min (2.54 cubic mm/min)

Weight: 42 lb (19 kg)

Software to fully operate it.

A pelican case for its storage.
