

Product Name :
Peg Boards

Product Code :
LIM-CAT-L0028-00006

Description :

Peg Boards

Technical Specification :

Peg boards

Made of sheet metal

Fully perforated

Wall Control metal pegboard is more than 10 times stronger than conventional pegboard.

Pegboard accepts conventional 1/4in pegboard pegs and accessories as well as Wall Control slotted tool board pegs and accessories.

The Wall Control metal pegboard tool organizer system is modular, meaning you can grow and expand your system as your tool storage needs change. Buy one unit or many units and grow your tool storage space as needed.

Installs in minutes. Pegboards mount directly into studs or sheet rock with no framework required.

Pegboard features an attractive, magnetic and durable finish for a clean, long-lasting look.

Dia. of holes 8 mm or 10x10mm square

Dimension 100x200cm

Supplied with 100 assorted tool hooks and wall mounting brackets.
