

**Product Name :**  
Refrigerator 100ltr

**Product Code :**  
LIM-CAT-L0011-00001

**Description :**

Refrigerator 100ltr

**Technical Specification :**

Refrigerator 100ltr

Fridge without freezer compartment

Capacity: 209 l

Thanks to the noise level of 35 dB, the refrigerator is very quiet. 220V/1Phase/50HZ.

Stabilizer-free Operation

Protects the compressor from high voltage fluctuations

Toughened Glass Shelves

Durable shelves that can take more weight

Removable Anti-bacterial Gasket

Removable gasket is easy to clean and it helps in preventing the build-up of fungi and bacteria inside the refrigerator.
