Product Name :	Product Code :
Table Saw Circular Saw	LIM-CAT-L0050-00006

Description :

Table Saw Circular Saw

Technical Specification :

Powerful motor with 2050 W power input provides fast work rate
Robust and ergonomic design for long-lasting operation in various kinds of applications
Dust extraction hole helps in effective dust management
Strong turbo blower gives a clear view of cutting and improves precision
Motor: 230V,50 Hz.1,500W
Motor speed 4500rev/min
Maximum cutting depth: 80mm ,55mm
Table size: 500X465
Extension table size: 410X465mm
Blade rising Range: 0:80mm
Table tilting range: 0-450
Blade: 254X15.9X2.8mm
Exterior Size: 100X54.5X33.5CM
