Product Name:

Sectioned Hermetic Compressor with Evaporator

Product Code: LIM-CAT-L0012-00003

Description:

Sectioned Hermetic Compressor with Evaporator

Technical Specification:

Sectioned hermetic compressor with evaporator

Compressor Cutaway (373-120) is an expertly- sectioned example of a common intermediate (1"-1 ½") horsepower semi-hermetic refrigeration compressor that facilitates and supports practical training in compressor design, operating principles, and maintenance.

A full longitudinal cutaway allows for full visibility of the compressor's operating components, including multiple cylinders, valves, internal motor, and crank shaf

10-Gauge formed-steel powder-coated baseplate. compressor, including both exterior casings, and compressor castings

Precision-painting of cutaway surfaces increasing definition and 3-dimensionality Product Dimension: $343 \times 610 \times 305 \text{ mm.} 12 \text{Kg}$
