

Product Name :
Heavy-Duty Electricians Pliers

Product Code :
LIM-CAT-L0051-00013

Description :

Heavy-Duty Electricians Pliers

Technical Specification :

Anti-Slip Handles: Ergonomic grips have a two-tone, anti-slip surface to maximize comfort and provide a secure grip

Anti-Rust Coating: Clear, anti-rust coating extends the effective life of these pliers, preserving their edge and finish

Combination Tool: Built with three functions– a flat gripping surface with fine serrations, a crimping edge and a cutting edge

Laser Hardened: Laser-hardened cutting edge is perfect for linesmen, tradesmen or electricians and can handle most cutting jobs

With insulated handles, c.150 mm.
