Product Name:
Turbine Pump

Product Code:

Description:

Turbine Pump

Technical Specification:

Turbine Pump Features: Yield: 12000 L/h

Electrical demands: 1.5 kW, 400 V, 6A Material: AISI 304 stainless steel

Size: 350x1100x450mm

Weight: 50kg

Connections: DN 65 IP65 certified electronics Very easy to clean.

Requires minimal maintenance.

Ideal for high viscosity materials like dough, mash.
