**Product Name :**  
Automotive Lab Caliper

**Product Code :**  
LIM-CAT-L0072-00033

**Description :**

Automotive Lab Caliper

**Technical Specification :**

Caliper  
Robust, Hardened and Ground stainless steel jaws and beam  
Beak length 30 mm  
Reading in mm / inch  
Graduation 0.001 in / 0.02 mm  
Beak Sharpening beak  
Measurement Analog  
Depth gauge flat  
Locking screw on top  
Dimensions (L x W x H, without transport box) 230 x 80 x 5 mm  
Reading 0.02 mm  
Weight 160 g  
Packaging Storage box  
Material Hardened stainless steel  
Measuring range 0 - 150 mm.
