

Product Name :
Stand With Magnetic Base For Measuring Instruments Incl.
Analog Dial Gauge

Product Code :
LIM-CAT-L0072-00056

Description :

Stand With Magnetic Base For Measuring Instruments Incl. Analog Dial Gauge

Technical Specification :

Stand with magnetic base for measuring instruments incl. analog dial gauge
For clamping dial gauges
Swivelling bridge
Cross arm with joint and fine adjustment
With magnetic base that can be switched on and off
High adhesive force on smooth steel and cast surfaces
Also adheres to shafts
Foot with prismatic sole and backside ground stop surface
With measuring probe \varnothing 8 mm
Projection 180.0 mm
Function attributes 1 swiveling
Weight: 1800 g
Holding force n 600.0 N
Total height 280.0 mm
Magnetic base 60x50x55 mm
Dial gauge receptacle 8.0 mm
Tripod \varnothing 16.0 mm"
