Product Name :
Automotive Lab Practice-Relevant Standard Vehicle
Gasoline Engine Used

Product Code :
LIM-CAT-L0072-00060

Description :

Automotive Lab Practice-Relevant Standard Vehicle Gasoline Engine Used

Technical Specification :

Practice-relevant standard vehicle gasoline engine (used)
Gasoline engine
Motronic Injection (E-Pedal Drive)
OBD Diagnostic
Vehicle is complete and engine system is full functional (also possible: accident damage or gearbox damage)
Focus is on the running engine.
Car will be prepared to take signals from sensors actuators.
