

**Product Name :**  
Capacitors 45

**Product Code :**  
LIM-CAT-L0077-00005

**Description :**

Capacitors 45

**Technical Specification :**

Capacitors 45

Run CAP 45 micro farad 450 volt

Universal and compatible capacitor for air conditioner, well pump run capacitor, or ac fan capacitor or similar, for fast repairing and maintenance and save your valuable time.

Withstand 450V AC, it can replace the same volume capacitor of 250 370 440V AC series capacitors.
