

Product Name :
Magnetic Screwdriver

Product Code :
LIM-CAT-L0078-00003

Description :

Magnetic Screwdriver

Technical Specification :

Screwdriver

High Strength: Durably built tool with Chrome Vanadium shaft and black oxide finished tip for protection against rust and scratches.

Grip: Cushioned Hexagonal grip offers superior comfort and provides perfect hold during tough hand torque tasks.

Convenient: Its magnetized tip strongly attracts small screws that make screwing and locating them convenient.
