Product Code :
LIM-CAT-L0082-00007

Description :

Industrial Refrigeration Unit

Technical Specification :

An easy matter for decision makers in commercial refrigeration to make a definitive choice when it comes to refrigerants and system type. For the last decade, many refrigerant options and system architectures have appeared both on paper and in practice. The sector has been in the environmental spotlight in recent years, especially as leakage studies have revealed the true effects of KTSP emissions in centralized systems. Considerable reductions in emissions are certainly possible, but they do require changes.
